# Buccaneer

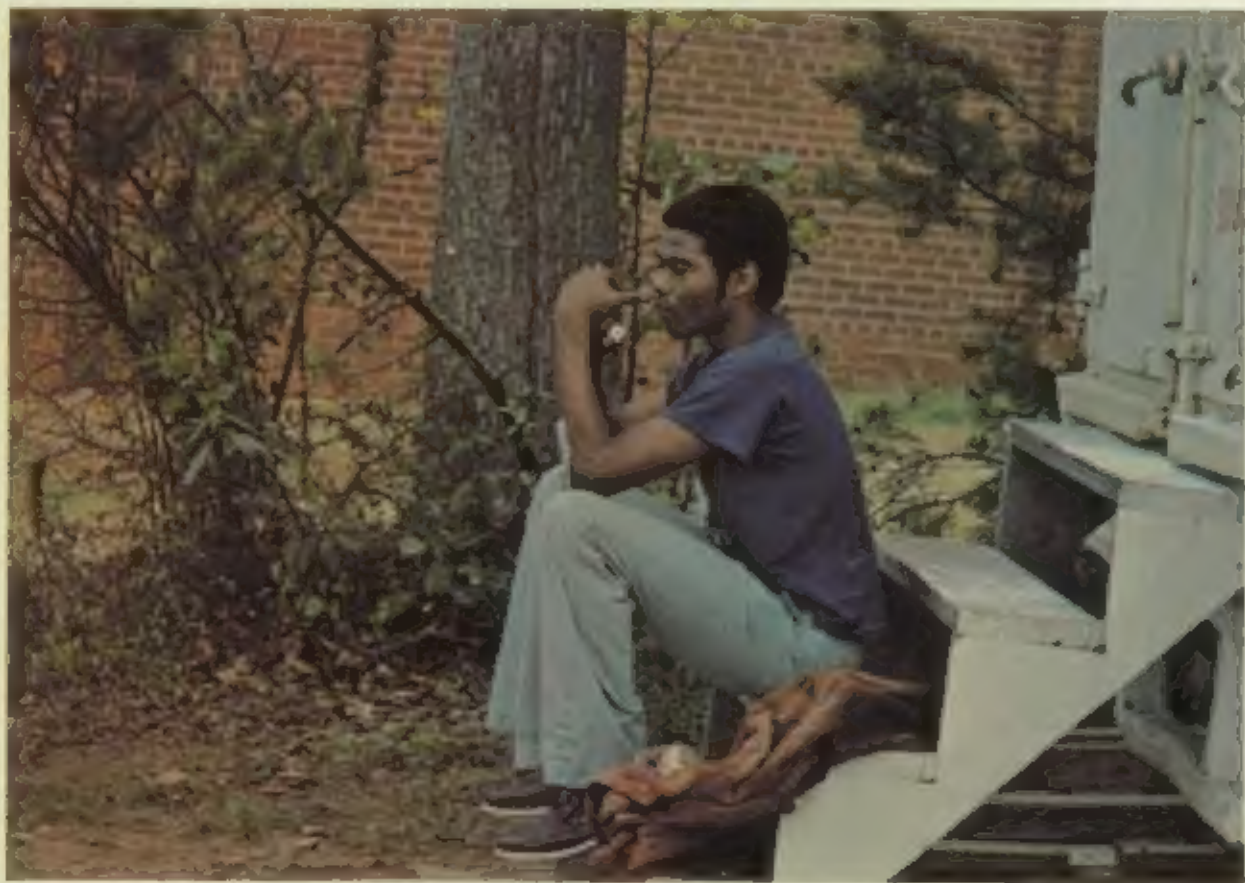

Greensboro • North Carolina • Volume Nineteen

There are many times when we feel truly isolated. The dreams and ambitions which are so much a part of us are not understood, even by those who are our closest friends. At this time, we need a few quiet moments by ourselves to sit and think.

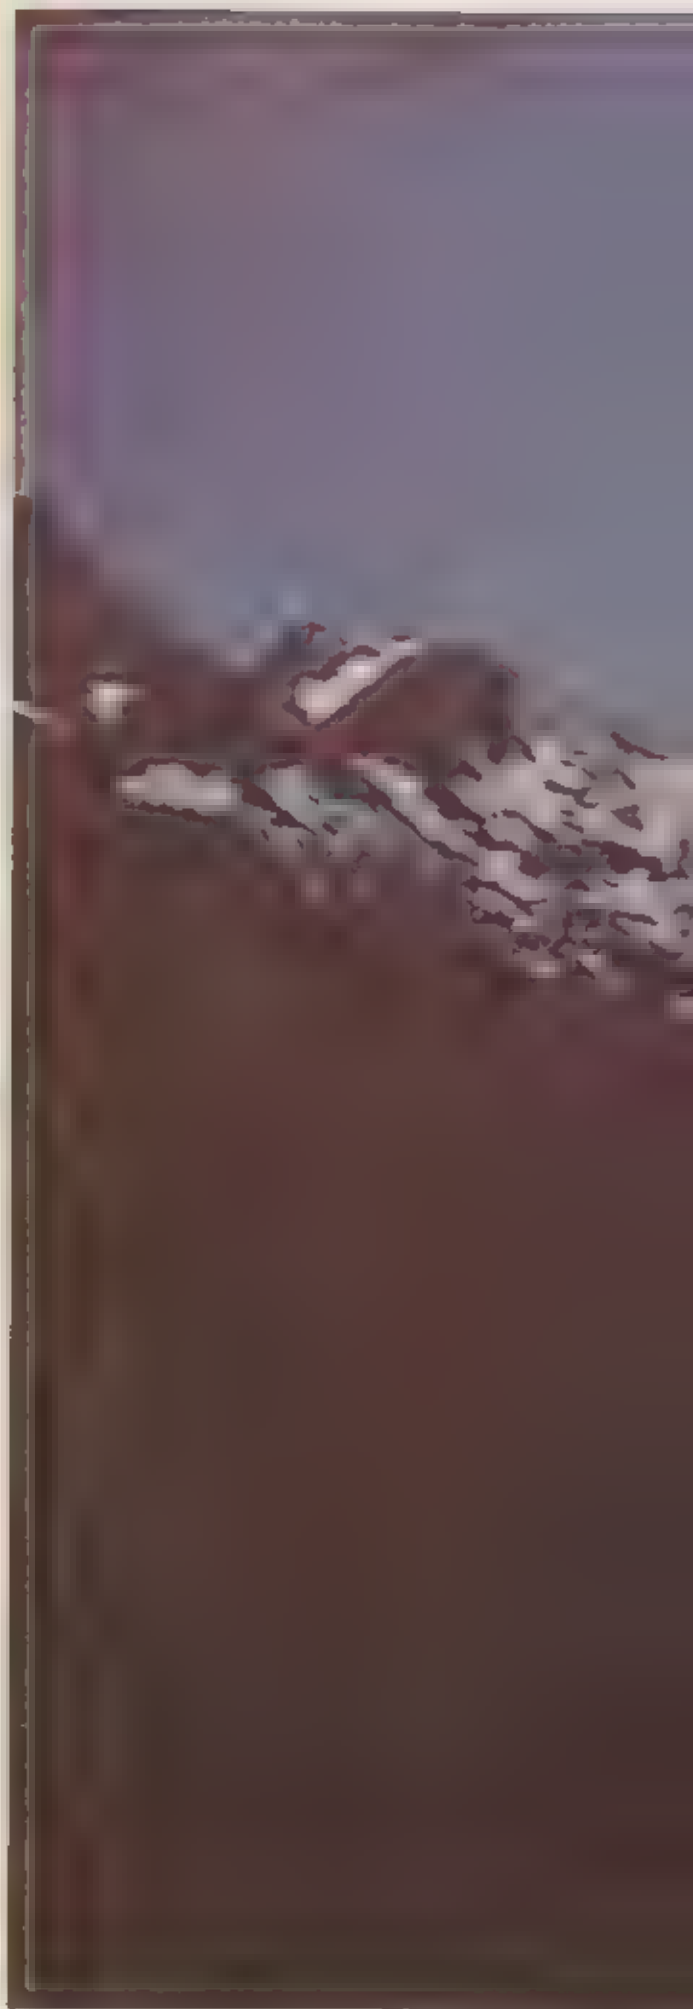

But there are other times when we are drawn closely together. There is something that we all share in common which enables people who are totally different to join together and enjoy their shared times

6

Even though there are many differences that separate us, it is these differences that make us special and individual. And these differences do not prevent us from sharing with and learning from each other.

## Buccaneer Honors Mac Morris With 1977 Dedication

Whether he is coaching the varsity basketball team to another championship season, pointing out Japan's mistakes in World War II, guiding the boy's tennis team to the state tournament, or supervising traffic in the hall, Mac Morris shows a genuine interest in Page and its students. From his arrival at Page eight years ago as attendance dean, he has displayed great enthusiasm and school spirit in everything he has done. His skillful and colorful

coaching has made Page's basketball team a consistent winner with the full support of the student body. His talent and concern as a teacher has made Wars one of the most popular classes at Page. Despite a seemingly stern exterior, he has become a friend and guide to the many students he has worked with, earning their respect and admiration. Mac Morris has given much of himself and his talents to make Page the best school in North Carolina.

# EVENTS

## 1977 Marks An End To The Bicentennial

1977 brought in a new President and a new administration. On January 20th, Jimmy Carter was sworn in as the 39th President of the United States. His inauguration was the climax of an incredible rise from near political obscurity to the defeat of an incumbent President. One of the first problems the new administration was called upon to deal with was the shortage of fuel oil and natural gas. The winter of 1977 was the hardest in recent years with snow and sub-zero temperatures closing schools and businesses and causing severe fuel shortages. Page experienced many of these problems. Snow closed school on several occasions and during January, Page went without heat for a few days while the school switched from natural gas to oil heating, and even then the situation was difficult as Page had to lower its thermostat to 65 degrees in the daytime and 55 degrees at night. During this time, there could be no night meetings at Page.

## Elections Move To Spring

A change in the election procedure was made this year at Page. In the past, elections were held at the beginning of school but last year the student body voted to hold school, senior, and junior elections in the spring while sophomore elections would be held in the fall as usual. This change was made to allow school and class officers more time to plan for the coming year.

Elections for the school, senior, and junior class officers were held in May. Posters, buttons, and banners were made and assemblies were held so the voters could make their choices. School officers were chosen first, then the class officers. When school started again in the fall, more posters, buttons, etc. were made as the sophomores chose their new leaders.

## Earth, Wind And Fire Is A Sell-Out

A wide assortment of musical ability was displayed in the Greensboro Coliseum during July and October 1976. Two rock groups, Chicago and The Eagles, returned for the second straight year to perform before an enthusiastic crowd. Also returning was Earth, Wind and Fire, a soul group, which presented an outstanding sell-out performance. Although ticket prices increased, many students attended these concerts and contributed to their success.

For their first major production in nearly two years, the Page Playmakers chose "Dark of the Moon", a story of the love between a witch boy and a mortal woman. Under the direction of Mr. Reid Leonard, the play was presented December 2,3, and 4. Featured in the production were Curt Holmes as the witch-boy, Laura Barty as Barbara Allen, Lesa Fouts and Julie Crissinger as fair witch and dark witch, and Scott Willingham as the preacher

Auditions for "Dark of the Moon" were held in October, then cast members were chosen and rehearsals began. The presentation of the play was delayed several weeks because of the football playoff games so this time was used to add polish. Drama club members took charge of tickets, props, and costumes while the stage crew managed the lights, sets, and sound systems

# SEE HOW THEY RUN

## Unique Seating Style Adds To Success Of Three Act Play

See How They Run, a British farce, was the second production of the Page Playmakers this season. Presenting the play six times over a two-week period was a unique and strenuous innovation. The play was also unusual because the audience sat on the stage with the actors. It was originally done this way to conserve heat during the energy crisis but it proved to be dramatically effective as well.

Featuring a small cast, the play told the story of an hilarious mix-up at an English vicarage. Cast members were Joy Cox, Lynn Warlick, Scott Willingham, Pam Prescott, Curt Holmes, Kip Cozart, John Garner, Matt Phillips, Ellsworth Chou, and James Garner.

# “Grimsley Grit Day” Added To Create Even More Enthusiasm During Spirit Week

Picture One

The week of October the fourth was designated as Page's annual Spirit Week. Each day of the week created a different atmosphere whether it be the wild west, or bobby-sox days from the fifties

Cowboy and Indian day started the week off with an exciting display of ten gallon hats, holsters and spurs in comparison to the feathers and grease-paint of the redskins. Kiddie Day followed where teachers were constantly interrupted by the smacking of bubble gum or the licking of lollipops. A new addition to the morale-raising week was Grimsley Grit Day. Students dressed in overalls and clashing outfits to represent Page's arch-rival

The most successful day was Fifties day. The boys rolled up tee shirts while their heads were abundantly greased with Vitalis. Ponytails and ruby red lips were common among the girls. The week was concluded with the traditional Red and White Day, and Page defeating Grimsley 25-7

## Homecoming Held At Smith

"Color My World" was the theme selected by Student Council for this year's Homecoming. Held on the Smith football field on Friday, October 15, the 21 members of the Homecoming Court entered through a huge rainbow placed at center field. Lesa Fouts was crowned Pirate Queen by last year's winner Rochelle Alston. Then Angela Morton was crowned 1976 Homecoming Queen by Danette Gordon, last year's queen. Making the occasion even more festive, the Pirates won an exciting 15-12 game over then conference leading Reynolds. The Homecoming Dance was held immediately after the game with the group Nassau performing

# First "Little Four" Held In Late December

High school basketball received a big boost when plans were announced in October for a "Little Four" Basketball Tournament to be held among the four city schools at the Greensboro Coliseum. Sponsored by the city of Greensboro and the Sports Council, the tournament was designed to provide competition between the four schools as well as to raise money for their athletic departments. City businesses bought sponsorships to help support the tournament, and the schools also held a ticket-sale competition. At Page, the homerooms selling the most tickets got a half day off. The tournament itself was held December 29 and 30. On the first night, Page was defeated by Grimsley and Dudley beat Smith. Page came back to win over Smith the second night while Dudley became the first Little Four champion. The last game was followed by a dance. Entertainment was provided by two bands, Cornelius Brothers and Sister Rose, and Brice Street. The first Little Four tournament was a big success. Over five thousand dollars was raised for each of the schools' athletic departments. Next year, the tournament is hoped to expand to include some of the county schools.

# STUDENT LIFE

# Class Chooses Top Seniors

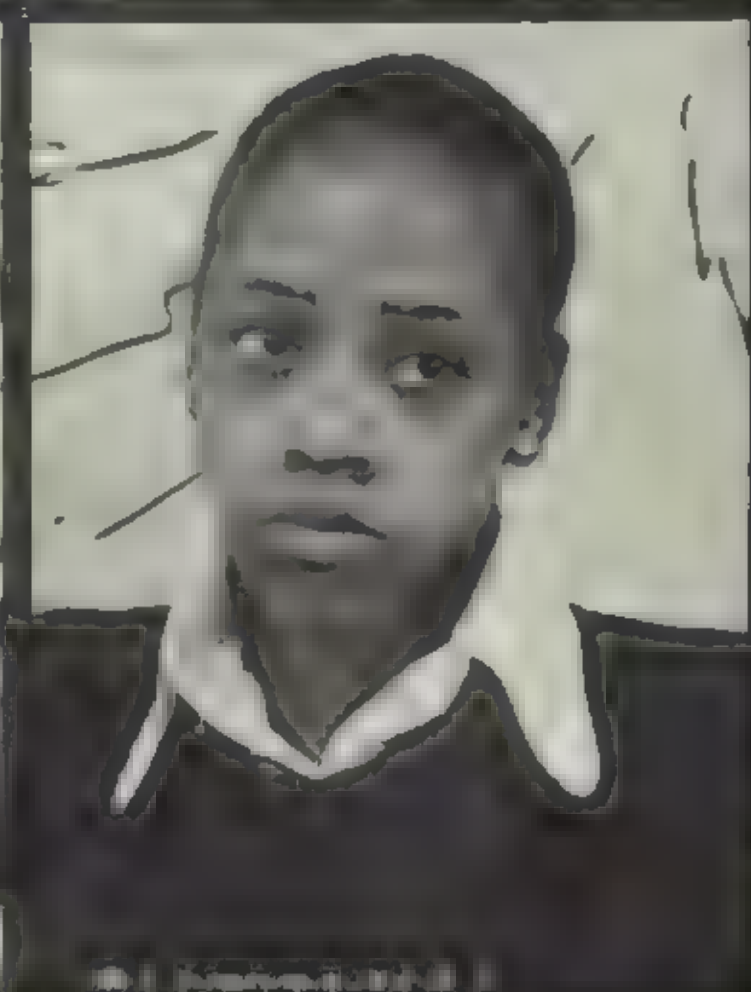

The twenty outstanding seniors, elected by the senior class are a varied, yet select group. When voting began in late October, the criteria for selection, outstanding leadership, scholarship, school spirit, citizenship, and achievement was stressed. Also, during his or her senior year a "C" average and an "S" in conduct had to be maintained. On the basis of these guidelines, the following were selected by the 1977 Senior Class as the most outstanding

A versatile athlete, Philip Melton has been a letterman in football, basketball and baseball the last three years. For this, he was voted "Most Athletic" by the senior class. But Philip also has talents in other areas, singing in the choir and serving on the Student Affairs committee.

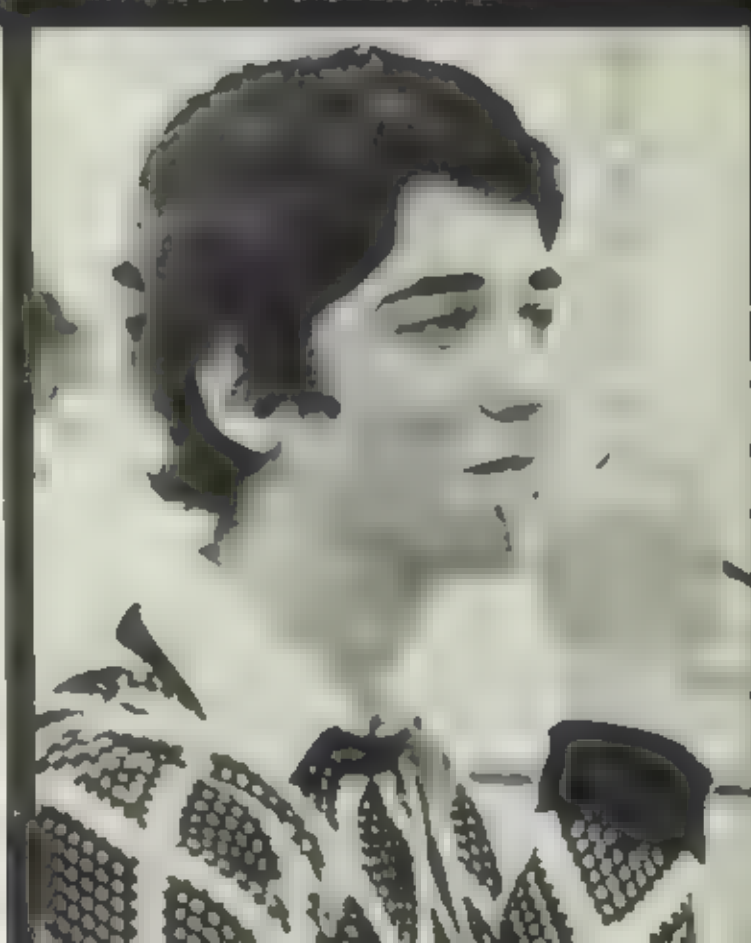

As a cheerleader and SCA member, Lushun Dewberry has displayed a great amount of school spirit. She has also served as a Homecoming Court representative and a member of the Anchor Club.

With a ready smile, Sandy Maxwell has given her all to Page. Her contribution to the community and Page have been many. Serving as chairman of GYC, a member of the Youth Planning Council and a member of NHS, she has worked hard. As a mascot, she has served her school well.

Showing much school spirit, Lesa Fouts has served as a cheerleader and mascot. Also involved in SCA and OHJ's, this year Lesa received the honors of Miss Christmas Seal and Page's 1976 Pirate Queen.

A dedicated student, Scott Greer takes and handles responsibilities well. Having served as Vice-President of Civilians, the Jumor Class and the student body, he is also in NHS. A hard worker, Scott's Morehead nomination is well deserved.

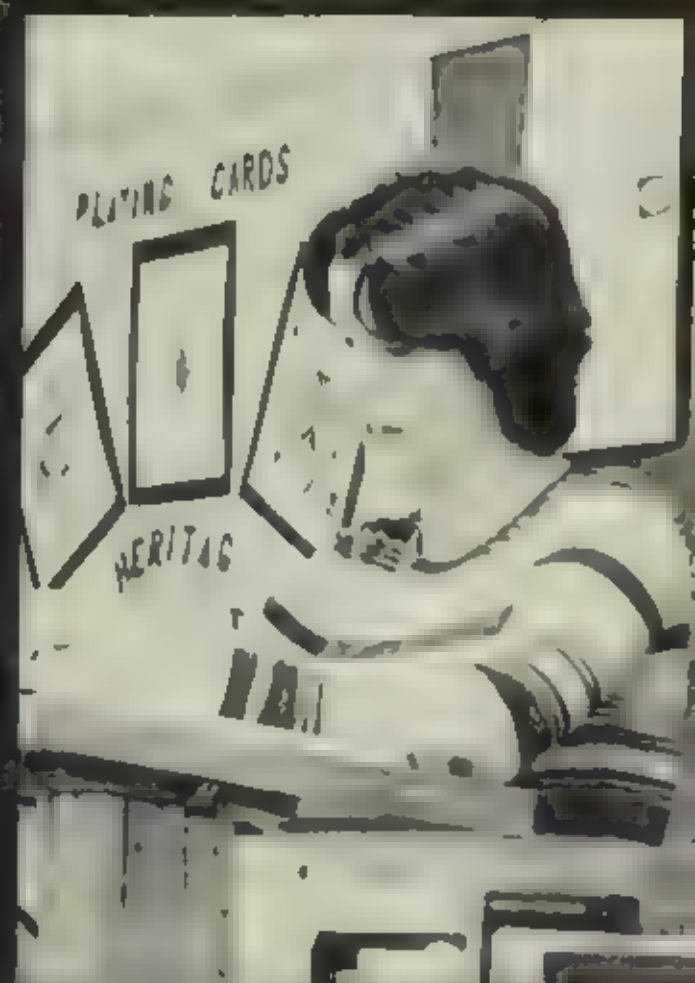

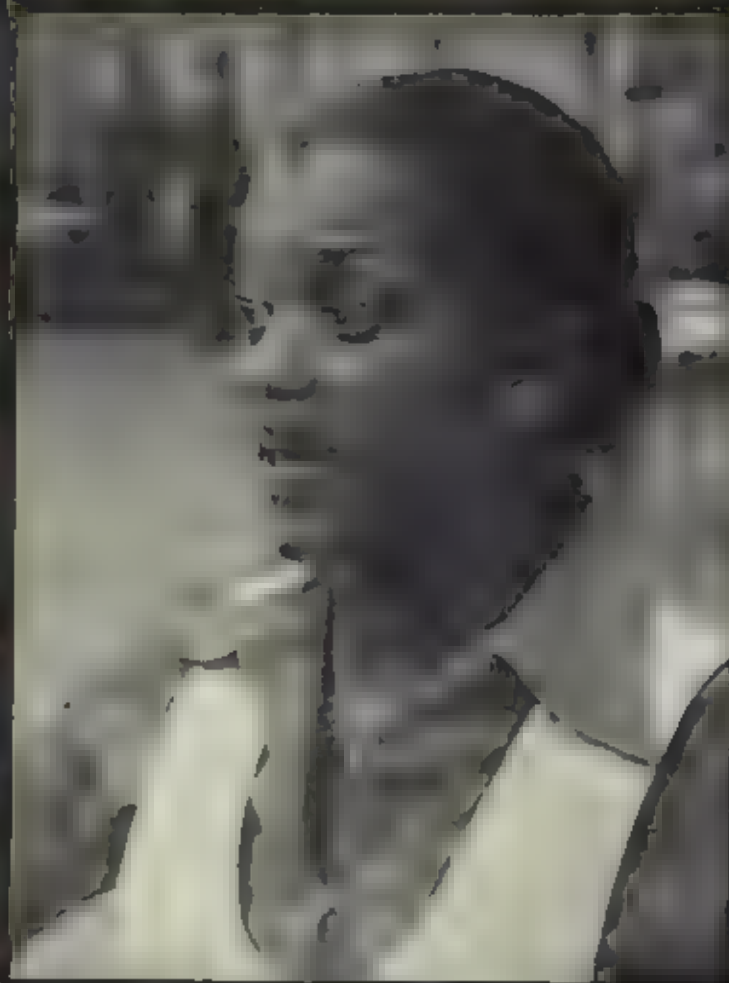

As co-captain of the basketball team and a member of the volleyball and softball teams, Jeannie Hairston displays great talent and the team spirit necessary to these sports. She further shows her ability to work with others as a member of the OHJ's.

Daphne Brown has taken an active part in many organizations at Page. Displaying an interest in student government, Daphne has served in SCA for the past three years. She is also Head Varsity Cheerleader and a member of the orchestra and the Homecoming Court.

Outgoing and congenial, Gail O'Brien has performed well in many different capabilities. An invaluable player on the basketball and softball teams, Gail also serves as co-chairperson of Student Affairs.

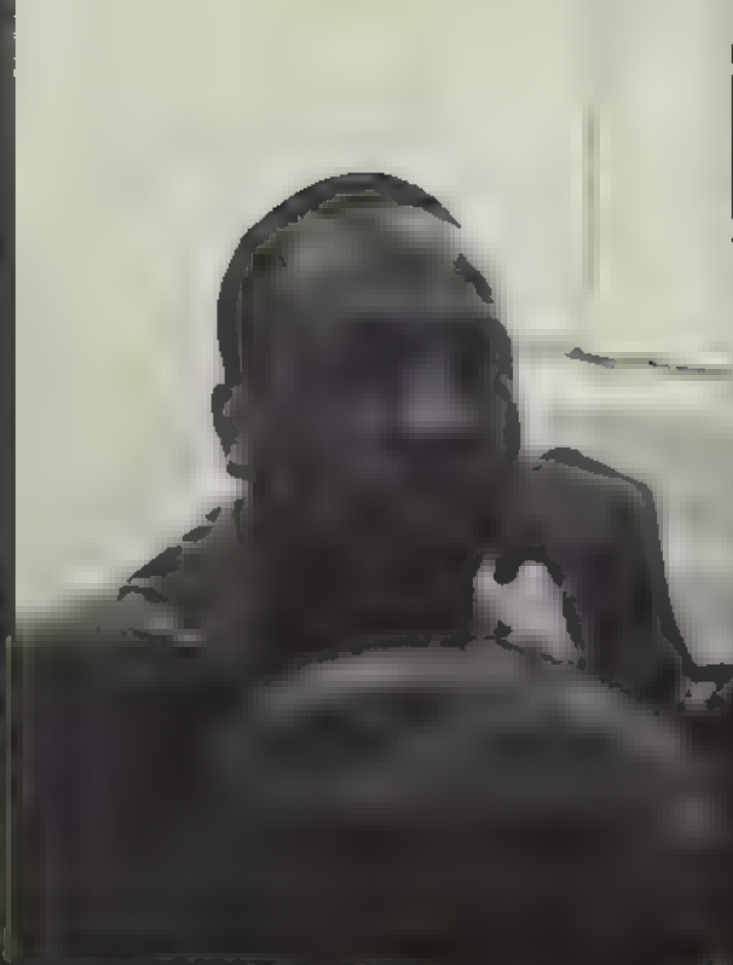

## Outstanding Seniors

With real interest in her school, Lynn Jones has participated in many of Page's organizations. She has served SCA and OHJ's and as business manager of the Buccaneer. As a top seed on the tennis team for three years, she was part of the sectional champion doubles team.

Dedicated and industrious, Sheri Gravett has given unselfishly of her time and energy to Page. She is on the Hi-IQ team, President of ISCC, a member of NHS and of the yearbook staff. Sheri has shown strong leadership abilities which led to her selection as the DAR Best Citizen and a Morehead nominee.

A talented athlete, Clyde Beatty has played on the Varsity football team for two seasons, earning a letter both years. His play led to his selection to the All Metro and All-Conference teams this year.

Dedicated and talented, Benita Brady has used her attributes for Page in the area of music. As a member of the ensemble and the orchestra, she deserved her selection as "Most Talented."

Angela Morton has given much of her time to improving Page's school spirit. She has served as a cheerleader for the past three years and a member of the Homecoming Court for the last two. This year, she was voted Page's 1976 Homecoming Queen.

A talented and amiable student, Beth Russell enters into a variety of activities enthusiastically. She is a member of NHS and sings in the choir and ensemble. School spirited, she performs well as a cheerleader. She has also served as Junior Class Secretary and a member of the Homecoming Court.

David Jones exudes enthusiasm for life that is contagious to all who come in contact with him. His participation on the cross-country and swim team is invaluable. Well liked by all, he was elected to serve on Student Affairs and takes all responsibility seriously.

# Outstanding Seniors

Serving her school well, Carolyn Dukeshire has worked hard as the year book editor, and as a member of the NHS and the OHJ's. This year, she was elected by her fellow students to the Homecoming Court.

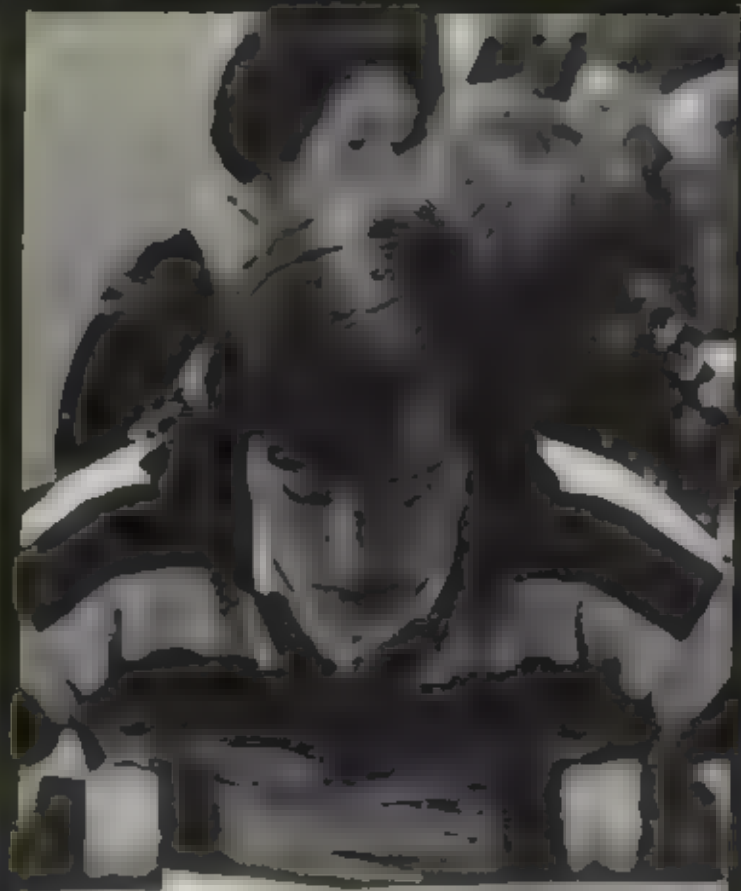

A strong intelligent leader, Jay Hervey has served well as Senior Class President. Jay is a member of the swim team, as well as the Civilians. A top student, he is the school's only National Merit Semi-finalist, and is a Morehead nominee.

A friendly and hard-working student, Lynn Stephanz has participated in many of the activities at Page. Acting as President of the NHS, Vice-President of the OHJ's and a member of the yearbook staff and Homecoming Court, Lynn has earned her nomination as a Morehead scholar.

David Barkley is a talented, well-rounded student. A member of the swim team, ISCC President of the International Club, Treasurer of NHS, Vice-President of the Senior Class and member of the ensemble, his Morehead nomination was well-deserved.

Knowing well their wooden friend would hide them  
From the schoolmaster's eyes.  
Mothers and fathers rode over the bridge

That was yesterday;

## 1976 Team Best In Page's History

Having their best season ever, the Page varsity team advanced as far as the state semi-finals, losing there to eventual state champion High Point Andrews. The team started slowly, winning only two of their first four games before powering their way to eight straight victories and a share of the conference title. The Pirates began their winning streak with an impressive 26-0 win over Smith, their first over Smith in eight years. The following week, Grimsley fell victim to the Pirates surge. The Whirlies went down, the sixth year in a row, 25-7. One of the most important victories of the year was the 15-12 Homecoming victory over Reynolds. The team went on to the state playoffs, defeating Durham 6-0 and West Charlotte 30-14 before falling to Andrews.

The Pirates placed five players on the All-Conference Team — Mike Stevenson, Kelvin Stokes, Clyde Beatty, Phillip Melton, and Jim Garvey. They were joined on the All-Metro Team by Bob Via, Maurice Casey, and Danny Attayek.

## Pirates Reach State Semi-Finals

Page finished the year ranked number six in the state. Our conference-winning season was capped by three playoff games, one a defensive struggle, another our finest game of the year, and the third, a loss to the eventual state champion.

From the first day of practice, it was obvious a lack of interest would handicap the Baby Bucs. Under the guidance of Coach Ken Page, the talented Jayvees overcame this disadvantage and ended the season with a very fine 5-2-2 record. The team averaged 24 points a game, while allowing the opposition only 8 points.

# BASKETBALL

The 1976-1977 basketball season began with the first annual high school Big Four tournament. The Pirates had a hard time starting off the season but came to a high peak during mid-season. The team was led by Mike Hawkins and David Routh.

# Pirates Successfully Defend Conference Championship

The varsity basketball team enjoyed another outstanding season under the leadership of Coach Mac Morris. The team began play two weeks behind their conference opponents due to the success of the football team and, as a result, dropped two of their first five games. One of these losses was in the inaugural "Little Four" tournament, held in the Greensboro Coliseum, where Page was defeated in the opening round by arch-rival Grimsley. The team recovered quickly from this loss, as well as a second loss at North Forsyth, to emerge as the regular season champions. The Pirates ended their regular season with a string of seven consecutive wins (one over each of the other seven conference teams). This string included a heart-stopping finale at Grimsley in which the Bucs prevailed by a 60-57 score. Entering the conference tournament with the goal of bringing home a second straight conference championship, the Pirates avenged earlier losses to Grimsley and North Forsyth to emerge victorious. The team then entered the State Round 16 Tournament where they fell to an extremely fine Reidsville team in a hard fought 50-51 game.

The Pirates were a very young team this year, graduating only four seniors, while starting only two. The team was led by the great all-around play of Mike Hawkins, the inside strength of Johncie Wilson and James Green, and the leadership and play-making ability of guards David Routh and Phil Melton. The Bucs also possessed a strong bench including senior Ken Roseboro, juniors Dean Little and Thomas McLaughlin, and sophomore Bill Melton.

# J.V.

Coach Ron Ball put a fine team of sophomores together this year — leading the team to a 6-1 mark before leaving Page at mid-season. Coach Ball's replacement, Bill King, came in and did an excellent job leading the J.V. team to the conference championship.

Though the Pirates lacked sufficient height,

they were led inside by the strength of John McCormick. Eddie Green proved to be outstanding on both ends of the floor. Gregg Page, with his brilliant outside shooting, was also a valuable asset. These three players were complimented by the play of starters Rhett Mabry and Mark Hubble.

# 'S GIRLS

Girls' basketball has become an exciting and popular part of the sports at Page. The girls played their games just before the boy's varsity this year. This was greeted with a show of enthusiasm from the spectators and crowd size seemed to increase at every game. The girls were inspired by the crowd and this helped them to a tremendous season. The team, coached by Mrs. Ruth Halsey, racked up victory after victory in conference play, losing only to highly rated High Point

Central.

The girls were led by the steady inside play of seniors Jeanie Hairston and Laverne Williamson and the great hustle of guards Gail O'Brien and Cathy Inabnet.

The interest in Girls' Basketball led to the formation of a Junior Varsity team coached by Mr. Frank Cecil. The J.V.'s had a very successful first season under Coach Cecil.

# VOLLEYBALL

The Page Girl's Volleyball team fought to a 7-7 record in a season plagued with injuries. The team was lead by setters Lori Erwin and Dale Murphy, hitter Jeannie Hairston, and the hustling of Cathy Brooks. The outlook for next season is good with returning sophomores Marcella Gunter and Annette Cirba and returning juniors Lisa Whitley, and Ingrid White.

# BASEBALL

The baseball team came under new leadership this year with Raymond Pettiford assuming the coach's position. He entered the season expecting to better the 10-10 finish of last year's team and bring Page baseball up to the level of the strong football and basketball programs.

The team had six returning seniors who contributed in the area of team leadership. Team

strength came from upperclassmen Everette Neal, Phil Melton, Thomas McLaughlin, David Routh, Joe Cornelius, and Zeke Schofield. Four sophomores — James Morrison, Keith Kennerly, Greg Allen, and Gary Settle — were also big assets to the team. The team looks forward to more fine seasons with Coach Pettiford.

# Soccer Team Produces All-State Player

Under the leadership of Coach Zack Osborne, this year's soccer team finished the season with an 8-3-1 record. The season peaked as the Pirates played Ravenscroft from Raleigh. The team proved unsuccessful but ended the season ranked seventh in the state.

The soccer team was comprised almost completely of sophomores and juniors. Outstanding junior, Chris Crawford, made third team All-State. Junior Shawn Berry and sophomore Pete Mullins both made second team All-District. Page's soccer team, in its third year, has a combined record of 24-7-1.

For the first time in several years, Coach Steve Loflin had a strong balance in his swimming teams. The girls' team, led by Julie Troxler, Lynn Cozart, Renee Rice and Julie Hunt had an undefeated season in winning the conference championship. The girls achieved a tremendous feat in winning 76 of their first 80 individual events. The boys' team was very balanced in talent and had a great year, losing only to Grimsley, the

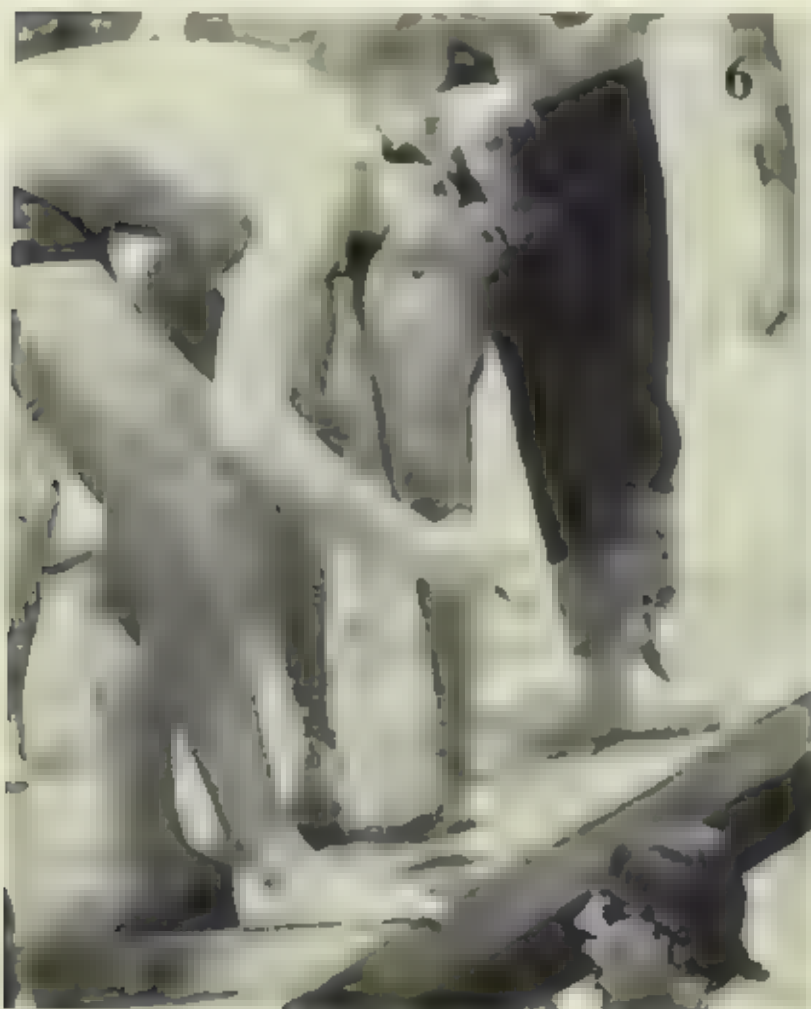

best team in the state. The boys had several outstanding swimmers in Mike McCormick, David Barkley, Jay Hervey and Louis Hunt. Rocky Ryan, Mark Evans and Chuck Vansant also added greatly to the team. The boys proved to be very competitive finishing a strong second in the conference, behind Grimsley.

The Page Wrestling Team, coached by Mr. Frank Starling, compiled its best record since 1971 by fighting its way to the conference championship, also the first since 1971.

The team was led by the only three seniors on the team, Jeff Creed, Tim Compton and Everette Neal, and Junior David Honeycutt, who had a combined

record of 54-6. Bill Osteen, Derek Johnson and Richard Lee also had a tremendous year.

The Pirates had a slow start with a bitterly disappointing loss to Grimsley early in the year. However, strong determination coupled with the will to win, brought the team back to an outstanding season.

# S I N N E T

With two starters returning from last year's team, which finished fourth in the state, the tennis team entered the season with high expectations. The team was led by the first two seeds, Steve Collins and Dwight Jacobson. They were backed up by the strong play of Glenn Enochs and John Rountree.

The girls tennis team had an excellent season, going undefeated in the regular season

and ending the year placed third in the state. The team was led by the outstanding play of sophomore Carola Hertle, who advanced to the quarter-finals in state competition, and by doubles partners Lynn Jones and Dockery Clark, who went to the semi-finals of the state. Juniors Mary Horan and Missy Basinger and sophomore Patty Ward also had fine seasons.

# TRACK

The track team broke a string of defeats last year, and went on to complete their first successful season in three years. This year's team was very strong in distance events, though somewhat lacking in shorter distance and field events. Team strength came from some very fine runners, including All-State cross country runner John George, and Jimmy Purdy and Wes Koonts.

The girls track team had hopes of bettering the record posted last year. Last year's team suffered from a lack of depth, though one star did shine through; Shelia Brown took the conference crown in the shot put. This year, however, the team expected to benefit from a crop of sophomores, more talented personnel and more interest in girls' sports at Page.

Coach George Robison took over the cross country team year and responded by producing the best team at Page in several years. The team had a fantastic season, finishing the regular season with a 11-2 record, winning the city meet, finishing second in both the conference and the sectionals and ending the season fourth in the state. The harriers were led by junior All-Stater John George, who finished fifth in the state meet. Other leading runners on the team included seniors Jimmy Purdy, David Jones and Wes Koonts and juniors Brad Rogers and Fred Paschal.

# GOLF

2

The golf team enjoyed a successful season in 1975-76, finishing second in the conference. This year's team lost conference medalist Ray Freeman so the returning players had to step in to lead the team. Players from whom much was expected included Steve Tadler, Ken Becknell, Brent Saunders, David Bernhardt, and Norman Brame.

The outlook for this year's softball team was optimistic. The 1975-76 team finished second in the city and many members of this team were returning this year. For many of these players it was their third year together

so experience was a key word. Among the re-  
turning players are Sarah Gaither, Dale  
Murphy, April Bingham, Lisa Whitley, Gail  
O'Brien, Laurie Erwin, Robin Webb, Jean

#### TO LISA

My darling of light heart and gentle soul  
 Who brought joy to all and ever cared,  
 Life was to you a joyous thing  
 And through you to others  
 To your dad, you were most precious  
 You knew when he was sad  
 You salved his hurts when they  
 Seemed to overwhelm him  
 God has seen fit to take you,  
 To show us what true love is  
 What zest for life can be,  
 What giving to others can mean.  
 For the vacuum created by your leaving  
 Forever imprints on our memories,  
 All that you brought to us,  
 Heaven now has you  
 But you are ours evermore

Roland H. Nelson, Jr  
 9 September 1976

Death be not proud,  
 though some have called thee  
 Mighty and dreadful,  
 for thou art not so  
     One short sleep past,  
 we wake eternally,  
 And Death shall be no more:  
 Death, thou shalt die

# THINK OF OUR MONEY MACHINE AS A TELLER WHO WORKS 24 HOURS A DAY, 7 DAYS A WEEK.

Real live tellers, as you  
know, have to eat and sleep sometime.  
So we designed NCNB 24 to do most

when a teller can't do them.

It lets you make withdrawals, deposits,  
payments, or transfers 24 hours a day.

It works by itself, it works with  
you, and it works at all times.  
It's a money machine that can help

you get banking to do after hours.

About the only thing it can't do for you  
that a teller can, is smile.

*A little more than 18 years ago this newspaper was being read by another group of students, most of them Juniors, who shared a common desire.*

*They wanted to build athletic, scholastic and social programs at this school which would be unsurpassed by all others.*

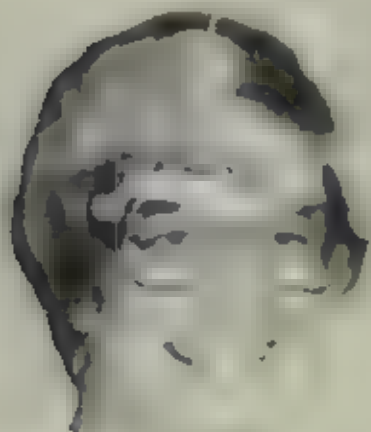

*At Litho Press, we were 16 also and we had this same desire to excel through service to our customers and the creation of printing products of the highest possible quality.*

*To the students of Page High (1976-77) we extend congratulations for having maintained those goals established and attained by your predecessors.*

Cone fabrics have stood for freedom from the start...since 1895, when Americans started living in them.

One of our early offerings was Cone deeptone denim. And we soon became the leading manufacturer of this famous fabric.

Next came corduroy. Once the fabric of kings, it became just as popular among Americans of all ages.

But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81 year

history.

Today, with 22 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel. Fabrics for home-decorating and home-sewing—even polyurethane foam—are now a part of the Cone family of products.

The almost 14,500 employees of Cone Mills are proud of their part in creating the basic fabrics that are the backbone of American casual fashion...and proud of the freedom each fabric gives you.

Kevin,  
Boy we have  
been through a lot  
hell together. But  
we see on to know  
how I'll be seeing  
you this summer  
so stay a long  
time friend  
(Someone)

MO KEVIN,

A VERY CRAZY and stupid cousin,  
who I shall not forget. We had our  
ups and down but we seem to get around  
them. Maybe if you belt down and try to  
study you just might graduate in 1979.  
I know I will be seeing you over the summer  
so you take care of yourself and be a good  
little boy.

Love ya!

ARLENE  
"Class of '78"

ARLENE  
to  
Tim

P.S. You and Chris just might  
graduate together! (smile)

Kevin,

It's been nice  
knowing you these past  
years. I'm not to get into  
too much trouble next year if you  
get there). Hope to see you over the  
summer.

P.S. When are you going  
to find you a woman.

Sign,  
Tyrona

KEVIN CLANTON
